K1 and Data collection
Beyond show and tell is data.

Show and tell continues and is going strong. A few students have been given show and tell bags. Please help collect and send the bags back to school.
Up Next…

What a busy week! On Tuesday, K1 parents made a visit to the class with our Welcome Back Meeting. A few days later we had a successful Opening IB celebration. Thank you parents for making the effort to be apart of your child’s school life. They may not understand the full concept but show a lot of excitement to see their parents at school. On September 16th ISV will have a Mid-Autumn festival between the hours of 2:15-3.00pm. It should be a moon-ful of fun!
